---

## Professional Summary

Creative technologist and video producer operating at the intersection of creative execution and operational efficiency. Architected internal workflow tools adopted by cross-functional teams, produced performance campaigns totaling 21.7M+ cumulative views, and scaled brand channels by 310% YoY. Brings a systems-builder mindset to content production focused on delivering retention-optimized video assets that drive measurable business outcomes for consumer-facing brands.

---

## Work Experiences

### Creative Video Producer (Video Editor)

December 2025 – Present

*TimePhoria - Skintific - Jakarta, Indonesia - Full-time*

- **Workflow Automation:** Architected and developed an internal web based editing dashboard for asset management and template customization. Adopted by 10+ cross-functional team members, reducing per video post production time by 20% (60 → 50 min) enabling the team to scale output without additional headcount.
- **Performance Creative:** Produced short form TikTok ad creatives for the Skintific for a month and moved to TimePhoria, ensuring visual hooks within the first 3 seconds to maximize watch through rates and support monthly direct sales targets.
- Managed end to end studio setups, including lighting and camera positioning for product shoots and talent sessions.

### Video Editor

Sept 2024 – Present

*Angkasa Management - Remote - Freelance*

- Edited and optimized 10+ performance campaigns across TikTok and Meta totaling 21.7M+ cumulative views, maintaining 100% brand compliance for Tier 1 clients including Google Gemini × Gracia Caroline, Google I/O and Dr. Grace × OB Herbal.
- Engineered platform native pacing and audience retention structures optimizing hook effectiveness, watch-through, and scroll stop rate across all deliverables.

### PIC Creative Content Specialist

Sept 2024 – Nov 2025

*CV. Nore Inovasi - Semarang, Indonesia - Promoted from Intern*

- Promoted from intern to team lead within 4 months. Directed 3 multimedia interns establishing daily production workflows, task delegation, and quality control standards.
- Scaled Instagram performance across 2 company accounts to 200K+ views and 148K+ reach within 9 months, driving 310.9% YoY growth through data-driven content strategy and paid campaign optimization.
- Increased engagement by 100% and boosted profile link clicks by 134% (2.6K total). Managed video and graphic content production for 5+ client accounts across multiple industries alongside 3 internal company brands.
